

Second Announcement

WELCOME

After four successful conferences held at **Pécs, Hungary** (2007), **Hagenberg, Austria** (2009), **Hluboká nad Vltavou, Czech Republic** (2010) and **Novi Sad, Serbia** (2012) we are delighted to announce that the CADGME conference continues. The team of the Department of Mathematics at the Faculty of Sciences, University of Halle-Wittenberg has volunteered to host the conference in 2014 in the beautiful city of Halle, Germany. Similarly to the previous CADGME conferences we want to create a forum for Central- and Eastern- European colleagues, and for all interested academics from around the globe to exchange ideas and nurture collaboration. We hope that you will join us in Halle on 26 - 29 September 2014!

KEYNOTE SPEAKER

Ralph-Johan Back

Abo Akademi University Turku, Finland

Structured derivations in practice: experiences from the E-math project (Abstract)

Marcelo de Carvalho Borba

CALL FOR PAPERS

The aim of the conference is to continue offering a forum for academics in Central- and Eastern Europe in closer connection with Western European colleagues to share their experiences and practices with technology-assisted mathematics teaching with colleagues from all around the world. Hence, we kindly invite colleagues - everyone from everywhere - to participate and contribute to the conference. The conference language is English.

How to contribute

Research Reports

Contributed Talks will be given in parallel sessions; the length is 30 minutes including discussion.

Posters

Research results can be presented on posters. There will be time allocated to present and discuss posters.

Working groups

Talks will be organized around the conference topics as shown in the proposed list below. In working group sessions plenty of time will be allocated for in-depth discussion of talks/papers.

Workshops

We encourage participants and software developers to organize workshops. Proposals (max 500 words) should be submitted by 19 May, 2014. Please let us know about the technical facilities needed for the workshops.

Student contributions

We will offer a special track for Ph.D. students and teachers to encourage contributions from young researchers. The best student contribution will receive a prize.

Electronic submission of proposals and abstracts

Submission of proposals for workshops and abstracts of contributed talks and posters will be proceeded via the **CADGME conference administration tool (ConfTool)**, starting by 14 April 2014.

Publication, proceedings

Abstracts

The abstracts of contributed talks and posters will be published on the conference proceedings website. The length is maximum 300 words. The format will be available on the conference web page.

Refereed Papers

Papers can be sent for publication to the scientific committee. We are in discussion with several journals that might publish a special issue with papers presented at CADGME 2014. Papers are to be submitted through **ConfTool** by 15 December 2014.

PROPOSED PROGRAMME

The conference will start on September 26 in the morning and end on September 29 noon. The detailed program will be announced later.

IMPORTANT DATES AND DEADLINES

TOPICS FOR CONTRIBUTION

Teaching

- The impact of digital tools on mathematics teaching
- The changing role of the teacher
- Teachers' professional development
- Teacher training
- Distance learning and digital tools

Learning

- The impact of digital tools on students' learning
- Students' attitudes toward digital tools
- Understanding and knowledge with respect to digital tools
- Algebraic skills and digital tools
- Instrumentation and Instrumentalization
- Creativity and digital tools

Curriculum

- Design of learning environments and curricula
- Implementation of curricula and classroom practices
- Innovative practices
- Promises of digital tools for curriculum development and administration

Assessment

- Assessment with digital tools
- Web-based assessment systems
- Problem solving and stepwise use of digital tools
- Intelligent Assessment

REGISTRATION AND FURTHER INFORMATION

Electronic Registration and Submission

You can register for the conference via **ConfTool**. Also, all submissions and payments are handled in that system.

During September hotel rooms in Halle (Saale) are short. Please consider a very quick reservation. A variety of hotels is listed on our **guided map**.

Conference Fees

	Early bird fee (before June 1st)	Standard fee (before Aug. 31t)	Late registration (after August 31)
Regular	180 €	200 €	220 €
Teacher	180 €	200 €	220 €
Student	160 €	180 €	200 €
Accompanying Person	80 €	80 €	80 €

The registration fee for participants covers

- Conference materials
- Admission to Scientific Sessions
- Welcome reception
- Welcome dinner
- Lunch on each conference day and coffee breaks

The registration fee for accompanying persons covers

- Welcome reception
- Welcome dinner
- Lunch on each conference day and coffee breaks

Grants

There is the possibility for a limited number of grants, please contact the local organizing committee before June 2014 in case you need financial support.

Excursion

An optional excursion will be offered for a separate fee.

**Fifth Central- and Eastern European Conference on
Computer Algebra- and Dynamic Geometry Systems
in Mathematics Education**
26-29 September, 2014 Halle (Saale), Germany

Accommodation

Halle offers a wide range of hotels and other accommodation facilities in all price ranges. We will arrange for special rates with some hotels. More information will be available soon on the conference website.

Travel

Halle is conveniently located in central Germany about 40 km from Leipzig and 160 km south of Berlin. Direct flights either to Leipzig/Halle Airport (LER) or Berlin (BER/TXL/SXF) are available from many destinations in Europe. There is also a direct stop of to the ICE high speed train and the CityNightLine at Halle main station, if you prefer to travel by train, and a good Autobahn connection for those traveling by car. Directions and further instructions will be available soon on the conference website.
